Providers from the Sheffield area

- School with 6th form
- Colleges
- Sixth form
- Training providers
- Academies

All providers from Sheffield are included, as to provide the full offer of the city. Specialist providers will be included, but a note as to what entry requirements are needed will be highlighted where applicable. An example of this may be that a provider will only accept young people with EHCP's. We aim to keep all courses and providers up to date, but there may be instances where courses are no longer offered, or providers still show as active when they have closed. We will try to mitigate all instances of this happening, but there is still the possibility this could happen, so please only use this a reference, and refer to actual providers websites for the most up to date and accurate information.

Main providers from surrounding areas – Doncaster, Rotherham, Barnsley

- South Yorkshire region providers
- Close geographical links to Sheffield
- Specialist training providers e.g. Northern Horse Racing College

Not all providers from surrounding areas are included. Those who are geographically too far away from the outskirts of Sheffield will not be included as they cannot be easily accessed via public transport. An example of this may be that Barnsley College can be accessed via a direct bus from Sheffield City Centre. We aim to keep all courses and providers up to date, but there may be instances where courses are no longer offered, or providers still show as active when they have closed. We will try to mitigate all instances of this happening, but there is still the possibility this could happen, please only use this as a reference and refer to actual providers websites for the most up to date and accurate information.
